### **Disclaimer Notice**

*Whilst all care is taken in sourcing and preparing the presented material, any error or incorrect content cannot form the basis for any legal action against Blycroft LTD. We advise you to verify the accuracy of any information before relying or acting on it.*

### **Copyright Notice**

*It is against the law to reproduce any of this material without the prior written agreement of Blycroft LTD. You cannot photocopy, fax, download/export to database(s) or duplicate in any other way any of the material contained in this publication. Please note that imagery and trademarks mentioned in the document may not be the property of Blycroft LTD, therefore there is no provision for providing copyright permission for this material.*

*A department license does not entitle uploading to any Intranet site or the distribution of the document beyond the licensed department. A global license allows for this document to be viewed by every member of the buyer organisation. This license can not be acquired or transferred.*

*If you have purchased a department license and intend to make use of the document beyond that of the licensed department you must first pay the difference between the advertised department license price and the global license price (fee based on the full advertised pricing at the date of upgrading your license). This will not entitle you to a new copy of the directory.*

*Licenses are not-transferable to any third party.*

***No license allows for this document or any part to be uploaded to the Internet. You cannot forward this document to anyone, who is not licensed as detailed above, without the prior written consent of Blycroft LTD.***

*If you are in any doubt you should contact Blycroft LTD, before you take action.*
